**Attention: J. Hofweber, *Manager - Environmental Protection, Regional Operations***

Dear Mr. Hofweber,

Re: **Environmental Annual Report 2003**

Enclosed is Alcan Primary Metal – British Columbia's *Environmental Annual Report 2003*, as required under the terms of our Multi-Media Permit P2-0001. This report addresses performance with respect to effluents and emissions. It presents the results of monitoring programs relating to ambient air quality and vegetation. It addresses various aspects of our performance with respect to waste management and recycling. It provides the results of specific monitoring initiatives relating to groundwater and landfills. Performance relative to permits applicable to our Kemano operations is also addressed. Finally, the report includes a summary of non-compliances and spills, and a brief description of various improvement initiatives and studies that are under way.

Should you have any questions or require further information, please do not hesitate to contact us. Please note that this year's report can also be viewed online at [www.alcaninbc.com/ear/2003](http://www.alcaninbc.com/ear/2003).

Sincerely,
